

National Child Measurement Programme: England

Feedback from Users

Comments/suggestions from users of the publications can be submitted to the Health and Social Care Information Centre (HSCIC) through the 'Have your say' link available on the publication page. These are considered by the HSCIC and in addition to responding to the user directly (where possible), a summary of responses is presented in this document each year.

We didn't receive any specific comments via the 'Have your say' link in relation to this publication this year (between December 2011 and November 2012).

We continue to welcome comments from users of these statistics.
