This hospital is taking part in an important project to check that people with diabetes are being provided good care during their stay in hospital.

The project will collect information about certain uncommon complications that may occur when a person with diabetes stays in hospital.

The collection and use of such information is strictly controlled by law and follows national standards of confidentiality and security.

By taking part in the audit, this hospital shows that it is committed to improving the care of people with diabetes.

If you do not want your information to be used, please let your clinical team know. This decision will not affect your care. More information is available – please ask a member of staff for a patient information leaflet or contact NHS Digital:
