

Data Alliance Partnership Board (DAPB) Notification

Dear subscriber

Please see below for details of our latest publication activity.

Information Standards

[DCB0011 Mental Health Services Data Set \(MHSDS\)](#)

The current release of DCB0011 Mental Health Services Data Set, Version 5.0, was published on 8 April 2021.

Since then, the need for changes to the data set has been identified and a corrigendum has been published, alongside an updated Data Set Specification and Change Specification.

The corrigendum provides an overview of the corrections and the updated documents are available on our [DCB0011 publication page](#).

- [Corrigendum](#)

If you have any questions about this Corrigendum, you can contact the developers via enquiries@nhsdigital.nhs.uk (quote 'MHSDS' in subject line).

Consultations

We provide details of data and technology consultations which may be of interest to our subscribers. Note that the documents which support these consultations have not yet been reviewed nor endorsed by the DAPB.

[Mental health clinically-led review of standards](#)

NHS England and NHS Improvement (NHSEI) is consulting on proposed new mental health access standards, including the introduction of five new waiting time guarantees to improve patient access to mental health services. NHSEI is seeking feedback on the proposals from all users, including the public, wider stakeholders, and other interested organisations

Closing date: 1 September 2021

NHSX EPR experience survey 2021 – Mental Health and Community

NHSX are seeking feedback from users who have professional experience of electronic patient record (EPR) system(s), to understand EPR user experience. Views are sought from clinicians working in mental health, community health and ambulance settings only, but a further survey will be launched by NHSX later in 2021 to capture the views of clinicians in acute hospital settings.

Closing date: 10 September 2021
