

Dear subscriber

Please see below for details of our latest publication activity.

Information Standards

[DCB3085 NHS Continuing Healthcare \(NHS CHC\) Patient-Level Data Set](#)

The current release of DCB3085 NHS Continuing Healthcare (NHS CHC) Patient-Level Data Set, Version 1.0, was published on 7 May 2020.

Since then, the need for changes to the data set has been identified and a corrigendum has been published, alongside an updated Data Set Specification.

The corrigendum provides an overview of the corrections and the updated Data Set Specification is available on our [DCB3085 publication page](#).

- [Corrigendum](#)

If you have any questions about this Corrigendum, you can contact the developers via enquiries@nhsdigital.nhs.uk (quote 'DSDS CHC' in subject line).

[Patient Level Information and Costing Systems \(PLICS\)](#)

The following PLICS standards were published on 13 August 2021:

- DAPB4001 PLICS Ambulance Data Set, 2020-2021
- DAPB4000 PLICS Integrated Data Set, 2020-2021

At the time of publication of the Information Standards Notices the Data Dictionary Change Requests (DDCRs) for the data sets had not yet been published, but [the DDCRs are now available on the DAPB PLICS web page](#).

DAPB0092 Commissioning Data Sets (CDS), Version 6.3

We have received questions about the availability of the schema for CDS v 6.3. This is nearing completion of testing and assurance but there is no scheduled release date. Please note that we will update you at the earliest opportunity when this schema becomes available.

If you have any questions about implementing CDS v 6.3, you can contact the developers via enquiries@nhsdigital.nhs.uk (quote 'FAO DSDS - CDS' in subject line).

Consultations

We provide details of data and technology consultations which may be of interest to our subscribers. Note that the documents which support these consultations have not yet been reviewed nor endorsed by the DAPB.

DAPB4042 Transfer of Care: Acute Inpatient Discharge

[This information standard](#) has been submitted for approval by the Data Alliance Partnership Board. We would welcome views, positive and negative, about the challenges of implementing this in secondary care organisations. You can send comments to standards.assurance@nhs.net or use the same address to request a short meeting to discuss.

Closing date: 24 September 2021

Kind regards,
Data Standards Assurance Service
NHS Digital
